Dear Neighbor,

At WestCOP, we value each and every donation we receive from our supporters. We've learned over time not to use gimmicks or the latest marketing ploys, but if we would "JUST ASK", you would respond. WestCOP has been a part of the Westchester and Mid-Hudson Valley community for over 56 years. In this time, we've graduated many community members from our programs who have gone on to become politicians, educators, executives, doctors, lawyers, and even small business owners. If you are Alumni, we would love to hear from you and share your story.

WestCOP is one of the few places in our area where families from across the socioeconomic spectrum find services and solutions to the ever increasing demand for quality of life.

- **Did you know that 98% of our veterans have been housed successfully?**
- **Did you know that more than a thousand seniors have been helped with food insecurities?**
- **Did you know that our weatherization program increased the number of energy efficient residences by 104%?**
- **Did you know that through our Early Childhood Program, we returned our children safely to the classroom to ensure successful intervention against the gaps of learning through the COVID-19 pandemic?**
- **Did you know that our Victims Assistance Services provided crisis intervention services to nearly 2,000 survivors of violent crime?**

Our Community Action Centers prove every day that a hand up will move people from small beginnings to prosperity. However, we wouldn't have been able to support those community participants on their journey to a better quality of life without donors and sponsors like you. Will you consider becoming a featured partner of WestCOP?

As an individual donor or corporate sponsor, we would like to express our gratitude by displaying a slide show with your name or company's name featured prominently on our website for the next six months.
